YOUR ROLE IN REGISTRATION

By taking responsibility for warranty registration, you ensure that your customer's equipment is properly covered, minimizing the risk of misunderstandings or potential warranty-related issues in the future. Not only does it help protect you as the contractor, but it also offers superior customer experience by sparing your customers the hassle of handling warranty registration themselves. **Register at: www.AlliedAirRegistration.com**

Consumers rate warranties and extended equipment coverage as **#1** in driving HVAC Purchases.
